Scholarship Winner Awarded

Kelsey Anderson, daughter of Local 7200 Member Bart Anderson, recently received an academic scholarship from NettWorth Financial Group.

Scholarships are awarded annually and are made based on several criteria with academic performance being the primary qualification.

Kelsey will be attending the University of Minnesota Mankato pursuing a career in Dentistry or Nursing. Kelsey remained an A honor roll student throughout high school, while being very involved in various extra-curricular activities including softball, soccer, basketball and girl scouts.

Kelsey's interests in Nursing and Dentistry began at a young age. She has always wanted to help others and feels the medical field would be the perfect career to do that.

Congratulations Kelsey we wish you much continued success!

NettWorth Financial Group has given away tens of thousands of dollars in scholarship dollars to CWA Members. If you are interested in more information about the scholarship program please call Stacy at 952-746-4860.
